Stocklist

RR HOLLAND

Below mentioned stock is based on stock level of **28-10-2026** and will be updated frequently.

- If you need alternative ratios (multistage), please contact us for a delivery time.
- This stocklist is for all gearboxes from RR65 till RR12500 in Series 2000 and Serieus Plus.
- Brakes which are not in the list can mostly be modified from other brakes (different braking torque).

The physical stock displays the actual stock at RR Holland, the vacant stock is the quantity which is still vacant to be sold. Even when vacant stock is lower or equal to 0, there might still be a possibility to purchase these item on short notice since other orders might have a later delivery date.

Do not hesitate to contact us if you need further information, sales@rrholland.nl .
